June 12 2017

Dear Condor Friend,

On behalf of the Capital City Condors, I would like to take this opportunity to thank you for your generous donation to the 6th annual Kyle Turris Capital City Condor Golf Classic held on June 5 2017 at the Marshes Golf Club.

This year's golf tournament was another "hole-in-one" smashing success with an amazing \$57,000 raised!!!

With 144 golfers in attendance and many of our Condor athletes volunteering at various holes throughout the day, it was a truly amazing day for all despite the weather. The energy and generosity of the community in support of this annual tournament is overwhelming and we cannot thank you enough. With your help, your donation has helped to raise money for this important organization, and in turn, some amazing and special athletes.

Once again, thank you for your generosity toward this very important and personal cause. Please visit our team at CapitalCityCondors.org or at a rink near you this winter!

Sincerely,

A handwritten signature in black ink that reads 'K Turris #7'. The signature is stylized and appears to be written on a white background.

Kyle Turris

Ottawa Senators #7
