

Capital City Condors - Independent Player Code of Conduct 2016-2017 Season

The **Capital City Condors** hockey club is committed to ensuring that each and every player has fun, feels a part of the team, learns skating and hockey skills, and enjoys a safe positive hockey experience!

As such, the Condors expect that both players and parents (or guardians) will treat each other and the coaches/volunteers with respect and in a manner that portrays good sportsmanship, a love of the game, and the pleasure of being a team member!

Practices, Games and Tournaments

- I will arrive on time and with my equipment to all practices, games, and tournaments whether "at home" or "away."
- I will come with a good attitude, ready to learn and have fun with my team-mates!
- I will listen to my coaches and will ask questions if I don't understand instructions.
- I will try my best during practices and games.
- I will try to be fair by sharing the puck with my team-mates and cheering each other on.
- If someone makes me feel uncomfortable or says or does something that hurts me, I will tell the Head Coach and my parents right away.

Unacceptable Behaviours

- I will not make rude or inappropriate physical, verbal, or sexual comments or gestures while involved in the Condors hockey program whether at a practice, game, tournament, or social event.
- I will not fight in any way at any Condors function because I understand that fighting will lead to me being suspended from playing, losing my "independent player status" and possibly even removed from the team!
- I will not become drunk or use illegal drugs while representing my team at practices, games, or tournaments because I understand that this behaviour will lead to me being suspended from playing and possibly even removed from the team!

- I will not use inappropriate language (swearing or calling others bad names).
- I will not show aggressive behaviour towards other players or coaches and will tell the coaches if I need some time to "cool down."

Athlete

I understand that if I do not follow the Capital City Condors Independent Player Code of Conduct, the Coaches or the Board of Directors will implement consequences which may include suspension from practices, games, or tournaments, possibly the loss of my independent player status and maybe even expulsion from the team.
