

10th Annual Kyle Turris Capital City Condors Golf Invitational

Monday June 17th, 2024

The Marshes Golf Club | Kanata, ON

The Capital City Condors are a family of ice hockey teams for those who are unable to play on any other hockey team due to a cognitive and/or physical disability. Players are ages 6 and up, of all ability levels and are each given a high degree of attention by the Condors' on-ice coaches. The Condors get to play the game we all love while learning about teamwork, sportsmanship, skill development, and having FUN.

Now in its 10th year, the Kyle Turris Capital City Condors Golf Invitational has raised over \$500,000 for our family of amazing athletes. This fun and entertaining event sells out every year, providing our sponsors with maximum visibility and exposure to loyal and influential sponsors of the organization.

Your involvement will:

- Financially support the increasing ice time, jersey, and specialized equipment costs.
- Assist with major initiatives to keep the Condors financially healthy.
- Provide bursaries for families who may not otherwise be able to afford to play; and
- Support our long-term vision of expanding adapted hockey throughout Canada and the world.
